Dear Mr Kaveshan Chetty

RE: DONATION

The Board of Management and Staff of Phoenix Child Welfare would like to express their sincere appreciation and gratitude to you for your generous donation of toys to the Phoenix Child Welfare Children's Home.

The support from persons such as yourself helps us to continue to reach out to our community to provide much needed social services that range from providing counselling to abused children, family preservation and reunification to providing a temporary place of safety for abused women and their children, poverty alleviation, child protection programmes and skills development programmes for unemployed members of our community.

Our facilities include the Sahara Shelter for abused women and their children, the Phoenix Children's Home and Baby Nursery (incorporating a Baby Safe)

We rely totally on external funding for our survival and our clients are usually the poor, indigent members of our community. Our Society Services Phoenix, Mount Moriah and Mount Royal.

Any assistance provided to this organisation benefits 100% black beneficiaries.

We recognize that you have many choices of where to direct your philanthropy and wish to show our appreciation that you chose our organisation Yours sincerely
